Proper Skating Attire

- Warm clothes (pants, sweatshirt but not ski suits)
- Gloves (Not mittens)
- One pair of thin socks
- Helmets (suggested for Snowplow Sam levels)
- For the first time skater, figure skates are easier to learn in because the longer flat blade provides the skater with more stability. If playing hockey is your goal, the switch to hockey skates may be made after a time of success with figure skates. Please consult your instructor.
