Our Philosophy

In joining the Skate Frederick Girl's Program, you will learn and develop the fundamentals of the *coolest game on earth!* Through weekly practices and games, our qualified coaches will teach the players individual and team tactics allowing them to continue to play hockey at a recreational or higher level according to their aspiration. This is accomplished by using the values of commitment, discipline, and sportsmanship as the cornerstone of our program.

Skate Frederick's
Skill Development Program:

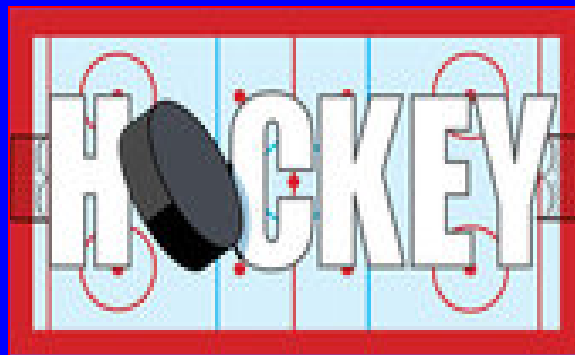

We highly recommended for our girls to register in order to improve their level of play. See flyer for details and check out our Special offer for In-House and Girl's Hockey Players only !!!
